

INTRODUCING a more Environmentally Friendly Double Gusset Design - Generic **“THANK YOU”** T-Shirt Bag (Patent Pending)

SPECIFICATIONS	
Description	“Thank You” –T-Bag
Product Code #	ATP-90007
UPC Code #	7-03950-90007-8
W + Gusset x L	12” + 7 x 21”
On Fold Size	8” + 5+3 x 21”
Film Thickness	33 Gauge (8.5 Micron /0.33 mil)
Film Color	White
Print Color & Area	Red 186C; 1C1S; 10%
Carton Pack	20 Bundle of 50; 1000 ct.
Case Weight (LB)	9.32LB
Carton Dim. (IN)	16.55” x 11.83” x 3.55” (folded, double stacked)
Cartons /Pallet	105/Pallet
Pallets /40’ctn	40 Pallets 4,200 Cases

Double Gusset Design advantages:

- **Reduce recycling impacts**
- **Patented Double Gusset Design**
- **Same convention size**
- **More superior holding strength**
- **Reinforced handles and seams**
- **Slim case design - better storage**
- **Cost saving with less plastic resin**

MFG Internal Test: T-Shirt bag film performance report

Thickness/LB	8.5mic With Double Gusset	<10mic	10~12mic	12.1~15mic
Side Strength Test	6	5	5	8
Single Handle Test	11	6	7	10
Double Handle Test	22	12	14	20
JOG Test	16	10	12	15

**Side test refers to pullout strength *Single handle refers to strength of individual handle *Double handle refers to strength of both handles *jog test refers to strength of bottom seal and handle seal. Machine tested at 1.75 strokes/second.*
